All testimonials are genuine and can be seen at her office.

Potoskey, Mich., Dec. 5, 1908.

To all concerned—

I am personally acquainted with Madam Mizpah, both in private life and in her professional capacity, and both myself, wife and daughter have sat for readings with her, and am glad to say, without hesitation, that I believe her to be accurate and clear in her delineations, and honest and conscientious in her work.

Some of the sketches in regard to my private life which was revealed to me by Madam Mizpah have already become manifest, and I believe her to be endowed with something more than human power, and whatever her gift, it is greater than the mere occult, but a gift with which she has been endowed to be of help to others, and with her will power and kindly disposition, she has great capabilities along that line.

Respectfully,

EDGER BROWN,

Editor Potoskey Evening News, Daily Resorter, Potoskey Independent.

All the Gold IN GEORGIA Could not Buy.

Roding, Ga. August 27, 1906.
Messrs. E. C. DAWITT & Co.,
Chicago, Ill.

Gentlemen—
In 1897 I had a disease of the stomach and bowels. Some physicians told me it was dyspepsia, some Consumption of the Lungs, others said Consumption of the Bowels. One physician said I would not live until Spring, and for four long years I existed on a little boiled milk, soda biscuits, doctors' prescriptions and Dyspepsia remedies that flooded the market. I could not digest anything I ate, and in the Spring 1904 I picked up one of your Almanacs as a poor emaciated Dyspepsia wreck will grasp at anything, and that Almanac happened to be my life savior. I bought a fifty cent bottle of KODOL DYSPEPSIA CURE and the benefit I received from that bottle ALL THE GOLD IN GEORGIA COULD NOT BUY. I kept on taking it and in two months I went back to my work, as a machinist, and in three months I was well and hearty. I still use a little occasionally as I find it a fine blood purifier and a good tonic.
May you live long and prosper.
Yours very truly,
G. N. CORNELL.
